## Retirement party for Dr. Bazzoui held at Bradford Club

After a distinguished career serving the psychiatric needs of children and adolescents at Beacon Light Behavioral Health Systems, Dr. Widad Bazzoui was honored at retirement party at the Bradford Club on June 29, 2011. Approximately 80 staff members, Beacon Light Board members and friends attended the event to commemorate over 30 years of service and to pay tribute to the agency's Medical Director and Psychiatrist.

"His dedication and caring over the years has been remarkable," said president/CEO, Richard Seager of the doctor. "Beacon Light would not be what it is today without his calm guidance and keen insight into the needs of the individuals and families we serve. We have all gained from working with him. While we wish him only the best for his retirement, we are truly saddened to see him go."

Dr. Bazzoui attended the Royal College of Medicine in Bagdad, Iraq. His residency was spent at the Royal Teaching Hospital in Bagdad and at the University of London in London, England. His certifications include D.P.M., M.R.C. Psychiatry. Bazzoui lives in Bradford with his wife Cheryl.
