

Kiwanis Continues 74 Year Tradition

The Kiwanis Club of Bradford continued its tradition of providing gifts to the children of Beacon Light on Tuesday during their annual Christmas Party held at the Custer City School. This year, the Kiwanis Club donated gifts for 108 children, as well as helping to wrap and personally deliver each package. The most popular gifts this year were guitars and MP3s players. Above, Santa presents a gift to one of the children with the help of Kiwanian Denise Bean.
