

Picture above: Mr. & Mrs. Rick Lutz from the TVTA, Jennifer Hughes, teacher at Beacon Light, and students from the Custer City school.

Mr. & Mrs. Rick Lutz from the *Tuna Valley Trail Association* stopped by *Beacon Light Behavioral Health System's* Custer City School to thank the students and teachers that participated in this year's "Tuna Trekker" program to benefit the American Red Cross. The class raised a total of \$336 through a weekly snack bar and donations. Students in the class received thank you certificates, Zippo® keychain lights and t-shirts for their participation. Nearly 30 students took part in the fundraiser as part of a community service project this summer.
