WHAT IS CORNER CONNECTIONS?

Corner Connections is a Psychiatric Rehabilitation program that assists individuals living with mental illness in identifying and pursuing the goals they have for their life. Corner Connections helps individuals build skills in keeping with their goals through ongoing person-centered classes.

WHAT TO EXPECT:

Corner Connections offers classes Monday-Friday targeted to build a variety of skills. Morning classes run from 10:00-12:00 and afternoon classes from 1:00-3:00. Participants may join any or all of the offered classes that they believe will assist them in furthering their goals. Participants will also meet one-on-one with a practitioner to develop a goal plan that fits them!

*"Building Skills,
Building Connections"*
